IN THE UNITED STATES PATENT & TRADEMARK OFFICE

**Applicant:** David S. Nyce  
**Application No.** 10/773,674  
**Art Unit:** 2856  
**Filed:** 02/06/2004  
**Examiner:** Paul M. West  
**For:** Isolated Capacitive Fluid Level Sensor

**Amendment A**

Commissioner of Patents & Trademarks  
Washington, DC 20231

Date: October 21, 2005

Dear Sir:

Thank you very much for your office communication, and the information it contained. I received your Office Action Summary, but could not find a cover sheet and could not find a date listed on the summary. In response to your communication, and whatever extension of time is necessary to make this response timely, for which extension Applicant hereby petitions, please amend the above-referenced application as follows: (Please note that, for the convenience of the examiner, appropriately labeled Appendices are attached that include the amended pages: Appendix A is a full clean copy of the Application that includes all of the amendments and is the Amendment A of the Application. A floppy disk is enclosed with a Microsoft Word file of the Amendment A text portion, and a PowerPoint file of the complete set of drawings of Amendment A. Appendix B shows the entire text portion of the Application with changes noted by Microsoft Word "Track Changes" software.)

In the Drawings

Amend the Figures as follows:

Add the number 3, and the associated arrow, to Figure 4.
